Hey,

We still plan on coming down on the 14th. whatever time works for you works for us, so just let me know. We are finishing moving this weekend, but are planning on coming down this Sunday (morning, I think) as well to drop off the table and chairs and to pick up the bar stools. If you want to come up and help us move tomorrow (10am is when a couple of our friends said they'd be here, but I'm not super confident that they will), feel free to do so. I can get you directions if you want. Also, I'm hoping to call home tonight (I'm not sure, but I think mom tried to call Nikki's cell last night but we didn't hear it) to let them know what is going on. If you/they would prefer to call me, that's cool. we plan on taking another load tonight around 6, but we should be back after 8 or 8:30. Our home phone is still connected. That's it.

Sonja

Hey Sonja~

Sorry to bother you at work. Mom keeps asking me if I've talked to you recently about when you're coming down. I'm assuming the 14th is still on? Do you know what time yet? Dad said you were hoping to move into your new apt. last weekend or something? If not and you want some help just let me know. Also, check your hotmail once in a while!

Later.
Amy
